

## HOW TO PLACE YOUR ORDERS – REQUESTING PERMITS

iPERMIT ERATERS uses a state of the art custom built application for all your Permit and HERS needs. Built from the ground up, our system has been tailored to give you everything you need to put in jobs and get permits fast. Our system is designed for what you do, so putting in jobs and keeping customers happy has never been easier!

**EASY ACCESS TO YOUR PERMITS, CF-1R'S,  
AND OTHER COMPANY DATA**

**ANYTIME FROM ANY DEVICE**

You can place your permit request online using our portal, call in your orders by phone, or fax them to us 24 hours a day.

The Online Portal can be accessed on any device here: [permits.ipermiteaters.com](https://permits.ipermiteaters.com)

*To submit Permit Requests and Jobs, you must be setup on our IE PORTAL. Once your company has been added to our system, you can login on any device to submit jobs. If you are not using our online portal please contact our office at (818) 735-7876 to sign up, or simply click this link: [SIGN UP FOR WEB ORDERS](#)*

Once you have been setup in our system, you can setup your company, employees, jobs, and more!  
If you have any questions, please give us a call.

Sincerely,

iPERMIT ERATERS
